

THE HANDOFF

They scan before they stand up.

The night's whole point, in forty seconds. The QR goes on screen at 1:18; the card is already at their seat. Your church code unlocks the full course — no checkout, no card.

SCREEN · 1920 × 1080

Your QR replaces the placeholder; your code replaces CHURCH-CODE. Hold the slide two full minutes. Say nothing during it.

CARD · 4-UP, ONE PER FAMILY

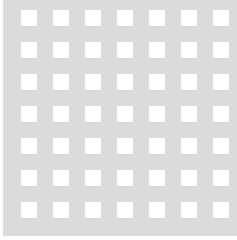

Same QR, same code, three steps, and a place for the family to write the date they'll start. It goes home on the fridge — the ones who didn't scan tonight scan Tuesday.

WHAT THE HOST SAYS WHILE THE SLIDE IS UP

"The talk was the why. This is the how — six weeks, you and your kid, ends with a signed agreement and a real license. Our church already covered it. Scan before you stand up. Your table host can help."
